

# BINTANG SURYA PURNAMA

## DATA SCIENTIST

Jembatan Batu No.49, Jakarta Barat, Indonesia | bintangpurnama31494@gmail.com | +6285888483488

### PROFILE

As a Data Science and Blockchain enthusiast, I bring expertise in machine learning, distributed systems, and decentralized applications. My professional journey combines data analysis, model deployment, data management, and smart contract development, enabling me to design solutions at the intersection of AI and blockchain. I am motivated by curiosity, continuous improvement, and the drive to create products that generate real-world impact. My goal is to contribute to innovative ecosystems where data and decentralization shape the future of technology.

### PROFESSIONAL EXPERIENCE

#### Election Committee Staff, Pinangzia District Office

Jakarta

Nov 2024 — Nov 2024

Served as part of the election committee during the presidential election. Assisted with organizing and executing voting procedures, verifying voter eligibility, and ensuring compliance with election protocols.

#### Election Committee Staff, Pinangzia District Office

Jakarta

Feb 2023 — Feb 2024

Participated as an election committee staff member during the gubernatorial election. Supported polling station operations, including managing voter flow, maintaining transparent processes, and safeguarding compliance with official regulations.

#### Educational Counselor, Bina Nusantara University

Jakarta

Aug 2023 — Jan 2025

Worked as an Educational Counselor, guiding and supporting prospective and current students in making informed academic and career decisions. Responsibilities included providing consultations, delivering presentations, and assisting in outreach activities to promote educational programs.

#### Family Owned Business Assistant, Bintang

Cakrawala

Jakarta Barat

Jan 2014 — Present

Assisted in managing a family-owned retail business by handling day-to-day operations. Responsibilities included serving customers, restocking and organizing inventory, preparing stock reports, and supporting staff management.

#### Kungfu Dimsum, Bina Nusantara Festival

Jakarta Barat

Oct 2025 — Feb 2026

Founded and led Kungfu Dimsum, a student-led culinary startup specializing in handcrafted dim sum with a creative twist.

- Organized the brand's first bazaar event and successfully sold 250+ pieces in just one hour.
- Managed a team of 5 members, overseeing product development, marketing strategy, and daily operations.
- Designed brand identity, pricing models, and customer engagement campaigns to build awareness and trust.
- Handled end-to-end business operations including budgeting, supplier relations, and sales tracking.
- Gained hands-on experience in entrepreneurship, leadership, branding, and real-world market validation.
